### Principal (in-service only) or Department Chair (pre-service only)

I have reviewed this application and the NNIN RET program details. I understand that there will be follow-up activities that will include faculty and/or staff from the NNIN site visiting my school or department. In addition, I understand and support the applicant's participation at the special NNIN RET session at the National Science Teachers Association Annual Meeting to be held March 19 – 22, 2009. I understand that the participant will miss approximately 2 days of school or class time to present at the meeting.
